

CU SoCal Qualifying Travel Transactions Guide

For the Double Dream Points Travel Promotion

Qualifying travel transactions are determined by Visa Merchant Category Codes (MCCs). Transactions coded within the categories below qualify for the promotion.

MCC	Category	Examples
3000-3299	Airlines	Airline ticket purchases
3300-3499	Rental Cars	Hertz, Enterprise, Avis, Budget
3500-3999	Hotels and Lodging	Hotels, resorts, lodging accommodations
4112	Passenger Railways	Amtrak and rail services
4131	Bus Lines	Intercity and charter bus services
4411	Cruise Lines	Cruise operators
4511	Air Carriers	Other airline purchases
4722	Travel Agencies and Tour Operators	Travel booking agencies and tour packages
7011	Hotels, Motels and Resorts	Hotel and resort stays
7012	Timeshares	Timeshare-related charges
7512	Automobile Rental Agencies	Vehicle rentals

Important

Merchant category coding is assigned by Visa and the merchant. A purchase that appears travel-related may not qualify if it is assigned a non-qualifying MCC. Promotion eligibility is based on the MCC associated with the transaction.
