

SKIP-A-PAY LOAN AUTHORIZATION FORM

Credit Union of Southern California (CU SoCal) offers you an opportunity to skip one loan payment during a 12-month period on your qualified loan. If you choose to skip a loan payment, you will pay a \$25 Skip-A-Pay finance charge. You may transfer this fee from your CU SoCal account.

During the month that you skip your payment, the interest on your loan will continue to accrue. This skipped payment will add an additional month plus additional interest charges to the end of the loan. All other terms and provisions of the original Security Agreement and Disclosure remain unchanged and in full force and effect.

Guaranteed Asset Protection (GAP)

If you skip a payment on an auto loan with a GAP policy, your skipped payment may affect the coverage calculation in the event of a total loss.
